

# VILLA ALMARIK

## THE RESORT

Villa Almarik, was one of the first resorts on the beautiful island of Gili Trawangan's and is located on a prime beachfront area. Everything is on your doorstep; a white sandy beach on the edge of a wide assemblage of beautiful blue coral, and one of the island's best snorkeling sites for turtle sighting is just in front of the restaurant. It's also only a few minutes walk from the island's central area, alive with small cafes and restaurants. Enjoy the sweeping view of the mountains and turquoise sea while the sun sets and then watch the sky lights up with a million stars.

## THE SWIMMING POOL

The azure gem of Villa Almarik lies under tropical gardens and provides guests with a place to enjoy the cool sea breeze, splash about and soak up the relaxing ambience of the island.

## THE RESTAURANT

A mix of Indonesian and Mediterranean dishes awaits you at our restaurant. All dishes are prepared daily with fresh local products. You will find that the many flavors of the island are just as amazing as its views. The spectacular view of Gunung Rinjani, the second highest volcano in Indonesia can also be enjoyed from our sea view restaurant on the first floor. Lunch and dinner are also served at our pool garden.

# VILLA ALMARIK

## GANGGA DIVERS

Gangga Divers at Villa Almarik, PADI 5 Star Dive Resort, is managed by the well-known Gangga Divers Team. The dive center offers a large range of diving courses conducted by professional, PADI instructors, and caters to divers of every age and level of experience. The dive guides are all certified to Dive Master and Assistant Instructor level, and will tailor the diving to suit your needs.

The Gili Islands offer a vast array of marine life for divers, from enormous green sea turtles to pygmy seahorses. The reefs around the islands are covered in colorful reef fish, sponges and an enormous variety of coral species. The abundance of turtles in particular is a great attraction to divers – and the presence of smaller critters such as frogfish, ghost-pipe fish and even the blue ringed octopus are excellent attraction for photographers and muck diving enthusiasts. All dive sites are situated within 20 minutes maximum travel time of the dive resort. All dive sites have a water temperature between 27-30°C all year round
